

2017 Annual Report

The Akula Foundation had another successful year of growth in providing community programs to area communities. The Akula Foundation has continued to offer programs to the community to address the problems of the lack of access and services in health and wellness. The Akula Foundation expanded its offerings and facilitated hundreds of volunteer hours in health outreach projects this year.

THE FOUNDATION HAS THE FOLLOWING PROGRAMS:

🌿 Hospice Care to Indigent/Unfunded Patients through Canon Hospice

Over **30 patients** received hospice care who did not have health care insurance benefits in our community, representing over **1000 days of care** and a **monetary value of over \$100,000**.

🌿 Nursing Home Reminiscence Programs

Reminiscence Therapy (RT) group sessions to improve social interaction are currently being offered in over **96 nursing homes** and assisted living centers throughout the New Orleans, Baton Rouge, Lafayette, the Northshore, the Mississippi Gulf Coast, and North Carolina. On average, 1,000 nursing home residents participate in reminiscence groups per month for a total of **12,000 yearly**. The Akula Foundation has continued to partner with the Psychology Department of the University of Louisiana at Lafayette in research projects on the efficacy of reminiscence outreach groups.

🌿 Grief Support Groups

The grief support groups are offered in the greater New Orleans, and the Northshore. They are open to anyone in the community that has experienced the death of a loved one or other significant loss. **12 groups** were offered each month on a regular basis in **hospitals** and other **public assess locations**.

🌿 Continuing Education- CEU Credit Workshops for Health Care Workforce

The workshops offered cover:

- Personality Disorders
- Hospice and Palliative Care
- The Benefits of Chocolate
- SUPERBUG Infection Control
- Dealing with Difficult People
- Ethics
- ICD-10
- Advanced Illness Management
- Spirituality at End of Life
- Complimentary Health Approaches

A total of **63 one hour CEU workshops** were offered with over **1550 healthcare professionals** attending the sessions.

🌿 Advanced Illness Management Program

The **AIM program** is an assistance outreach to family and patients which focuses on the health care management of chronic and complex illness. The program has cared for over **245 patients** and is currently caring for 40 patients.

🌿 Children's Bereavement Camps

Camps are offered **three times** a year in New Orleans, Baton Rouge, and Gulfport. This year over **85 children**, recovering from loss, attended **Camp Swan**.

🌿 Weekly Radio Broadcast of Health Care Issues Program

The Canon Hospice Health Hour is broadcast every Saturday. A total of **52 shows were broadcast for the year** providing information on community health issues to serve the public.

The shows air in the following areas:

- New Orleans - 3:00 pm on **99.55 FM WRNO**,
- Mississippi Gulf Coast - 3:00 pm on **104.9 FM WBUV**
- Baton Rouge - 3:00 pm on **1150 AM WJBO (or) 97.7 FM**.

🌿 Legacy Moments

The **Legacy Moments Program** provides DVDs and memorial books to all hospice patients and their families. The patient's family and friends are encouraged to bring in photographs and stories about the patient that are then compiled into a commemorative DVD and book. In **2017** the foundation **created over 50 books and DVDs**
